

Two Anacapa Students are Finalists in Architecture Competition

Genevieve, last year's finalist Alyssa, and Heather pose for a photo.

The annual Santa Barbara County High School Architectural Design Competition at Santa Ynez High School took place the week of March 19, and on Saturday the 24th, Anacapa's own Genevieve and Heather competed as finalists against several other area high school students. They each spent a 7-hour session creating their original idea and were selected to present their designs to a panel of judges. Heather earned an Honorable Mention for her house design. Way to go, Genn and Heather!
